

The background features a light gray gradient with several realistic water droplets of various sizes scattered in the corners. The droplets have highlights and shadows, giving them a three-dimensional appearance.

# COMMON HERITAGE OF HUMANKIND

# INTERNATIONAL SEABED AUTHORITY

STRENGTHS	WEAKNESSES
Accredited observer organisations participate and made interventions.	Very low State engagement at the ISA
Annual Council and Assembly meetings have been live-streamed.	There is no observer organisation representing indigenous communities, or youth, or women.
Updated website with information pertaining to inter- sessional workshops.	11 states who will be adversely economically impacted have not been active.

# ISA V UNFCCC

International Seabed Authority	United Nations Framework Convention on climate change
No dedicated youth representation	YOUNGO – youth constituency of the UNFCCC.
No formal space for inclusion of local communities and indigenous peoples – traditional knowledge	Local Communities and <b>Indigenous Peoples Platform</b> (LCIPP)
No mainstreaming of gender	Gender Action Plan
